Dear Coaches:

Welcome to the 2016 Battle of the Bats Coed Softball Tournament! We have put together this information packet for each team. Each packet includes a team roster, schedule, and rules. If you have any further questions, please look for a representative from Parks & Recreation to assist you.

The tournament will begin with pool play consisting of two games, followed by a double elimination bracket. Seeding for the double elimination bracket will be based on pool play.

Awards will be given to the first and second place team in the double elimination bracket. Awards will also be given to the male MVP and female MVP of the first place team. Good luck and enjoy the tournament!
