2014 PUBLIC MEETING SCHEDULE

The Provo City Community Development Department strives to ensure that your project is considered as soon as it is ready for Planning Commission review. Only complete applications may be processed and reviewed by staff. Factors that affect scheduling a project for a public meeting agenda include completeness of information submitted, complexity of the request, conformance of proposal and project plans with City ordinances and standards, applicant's response time to comments, additional review for corrected plans, and noticing requirements.

*A *Pre-Development Conference* with Planning staff may help to address preliminary concerns with your proposal during the development of your plans.

**An *Application Conference* is required to submit an application; review of the application checklist will require approximately 15 minutes.

This will be time well spent to ensure that your project can receive the most time-efficient review. Thank you for your cooperation.

The Municipal Council Chair will set the agenda for all applications requiring action by the Council.
