Provo State Street Safety Improvement Project 900 South to 1860 South

The Provo State Street Improvement Project is primarily focused on improving safety on south State St. between 900 South and 1860 South. Provo City and the Utah Department of Transportation (UDOT) are planning to add or improve the parkstrip, curb and gutter along the east side of the street. Plans also include shoulder widening and a 10' multi-use path. The project is currently in the preliminary design stages.
