Please Do Not Park Under Bridge!

Who: UDOT has performed exploratory work on the University Avenue bridge deck and found it is in need of extensive repair.

What: In order to compress the schedule and lessen the impact to traffic, crews will be working 24 hours a day, 7 days a week to complete the project.

When: Beginning Wednesday morning April 14th traffic will be restricted to one lane in each direction. Traffic will remain in this configuration for approximately 30 days until all bridge work is complete.

Why: The bridge deck will be repaired to extend the life of the structure.

Traffic will be restricted to one lane in each direction during this operation.
