Item 1 – Downtown Pedestrian Environments – Presentation by Downtown Provo Inc. and BYU:

- The members provided good feedback on the presentation from BYU regarding safety concerns and ways to improve along Center Street and downtown.
- An increase in physical changes to be made along Center Street should be looked at in addition to Police patrol to decrease speed of vehicles. This was discussed at great length.
- Direction from Administration and Council is needed to know to design Center Street and then funding can start to be allocated via capital improvement projects.
- A discussion on how a recommendation from TMAC members is provided to Planning Commission and City Council.
- The members were asked to be able to articulate the values and polices needed and desired for downtown and Center Street.

Next Meeting: February 11, 2020 at 12:30pm.
