# Ossuary

In the ossuary, cremated remains are interred inside of a communal underground sealed receptacle. A plaque is included with the price and placed on the cenotaph. Remains cannot be disinterred. The container for the ashes cannot exceed the entry port which is 6" round.

# *Tablet*

The tablet option includes a grey granite stone as well as the burial rights to the 12" x 24" property underneath it for (1) cremated remains. The tablet property does not include interment costs or engraving fee.

# Post Single

The post single includes the stone and the burial rights to a 12" x 12" area where the stone is located for (1) cremated remains. This option comes in grey and black granite. The price does not include engraving of stone or interment costs.

# ***Cored Single***

The cored single stone is a memorial marker with a 6" round and 9" deep inner core where (1) cremated remains are placed. The cored single comes in black, red, and grey granite. The price does not include engraving of stone or interment costs.

# ***Post Companion***

The post companion includes the stone and burial rights to a 16" x 18" area where the stone is located for two (2) cremated remains. This option comes in grey, red, black, and mahogany granite. The price does not include engraving of stone or interment costs.

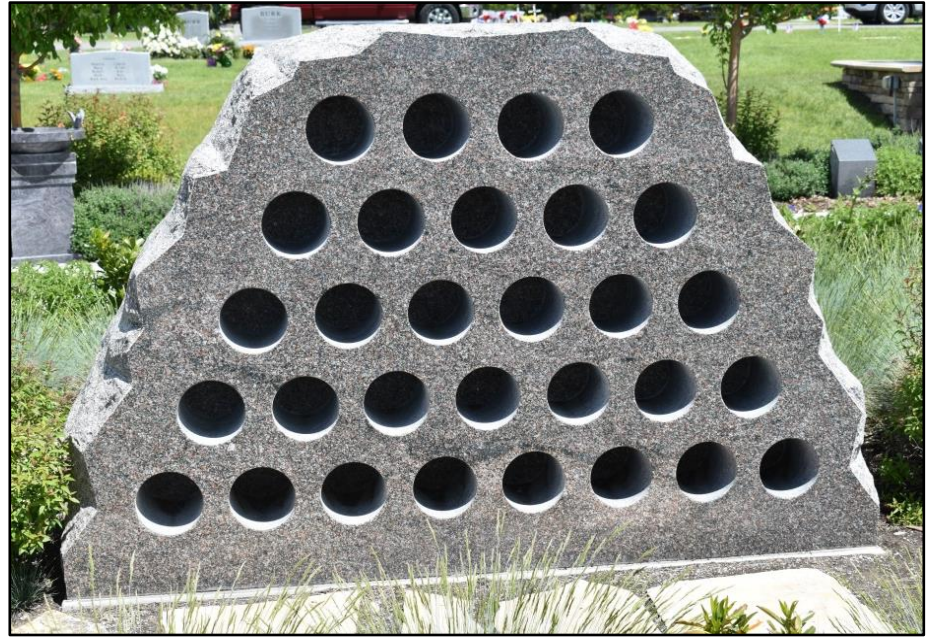

# *Rustic Monolith*

The rustic monolith includes the burial rights and a plaque for a niche in the rock structure near the cremation garden pavilion. The niche is 6" round and 9" deep for cremation remains. The purchase includes plaque but not interment costs.

# Community Columbarium

The community columbarium consists of many 12" x 12" x 12" alcoves to place remains or urns. The black granite is then engraved with memorial information for each niche. Purchase does not include engraving or internment costs.

# *Arbor Niche*

The arbor niche is a 12" x 12" x 12" alcove in one of two pillars on either side of the cremation garden pergola. The granite slab in front of each niche is engraved with the memorial information of the deceased. Purchase does not include engraving or interment costs.

# ***Cored Companion***

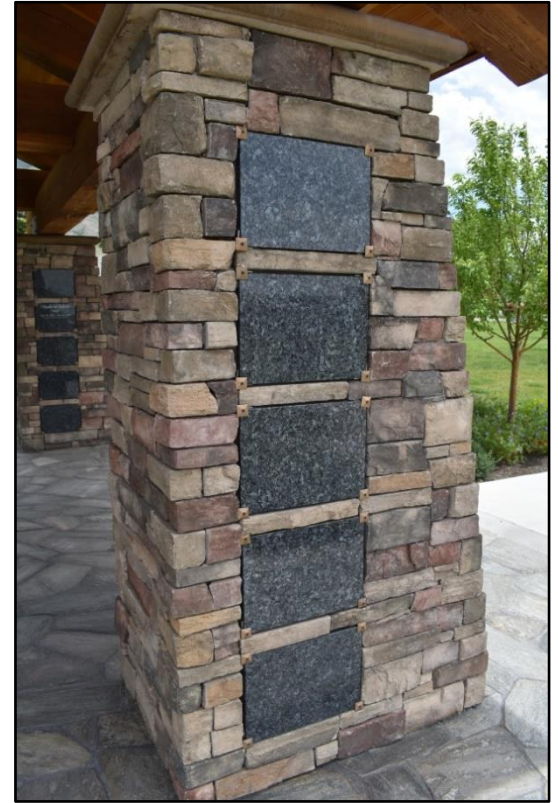

The cored companion stone is a memorial marker with two 6" round and 9" deep inner cores where (2) cremated remains are placed. The cored companion comes in black, red, and grey granite. The price does not include engraving or interment costs.

# Pavilion Shutter

The pavilion shutter is a niche in one of the four pillars holding the cremation garden pavilion. The niches are 12 ½" deep x 16" wide x 11" high to hold cremated remains. The granite slab in front is engraved with memorial information. The purchase includes the niche and granite stone, however does not include interment costs or engraving.

# ***Niche Boulder***

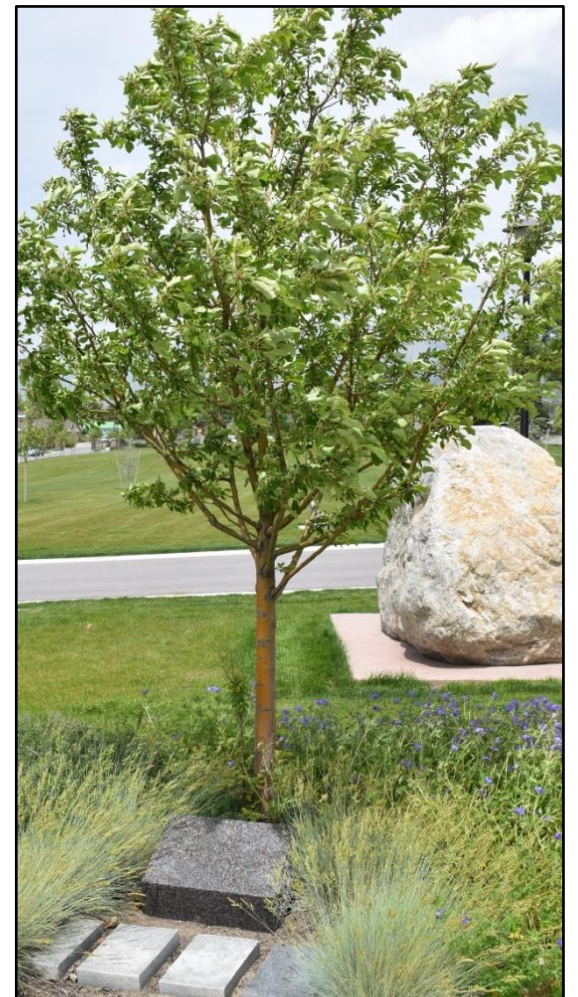

The niche boulder is a boulder near the cremation garden stream with a core that is 5 ¾" round x 30" deep. The boulder is covered by a 10" x 10" plaque with the memorial information. An engraved plaque is included with purchase however the internment fee is not.

# *Tree Estate*

The cremation tree estate includes a 30" x 40" area of property for interments as well as 4 tablets and a pillow marker that rests underneath a magnolia tree. The engraving and interment fees are not included.

# Bench

The cremation bench has four cores to hold cremated remains that are each 6 ¼" x 10". The bench is black granite and can be engraved with memorial information. The purchase does not include engraving or interment costs.

# ***Bench Estates***

The cremation bench estates include the bench, pillow marker, and 4 tablets. The bench is to be engraved on site and the total interment area for cremated remains is 3 ½' x 4'. The granite stones and burial rights are included with purchase, however interment fees and

# ***Pedestal Bird Bath***

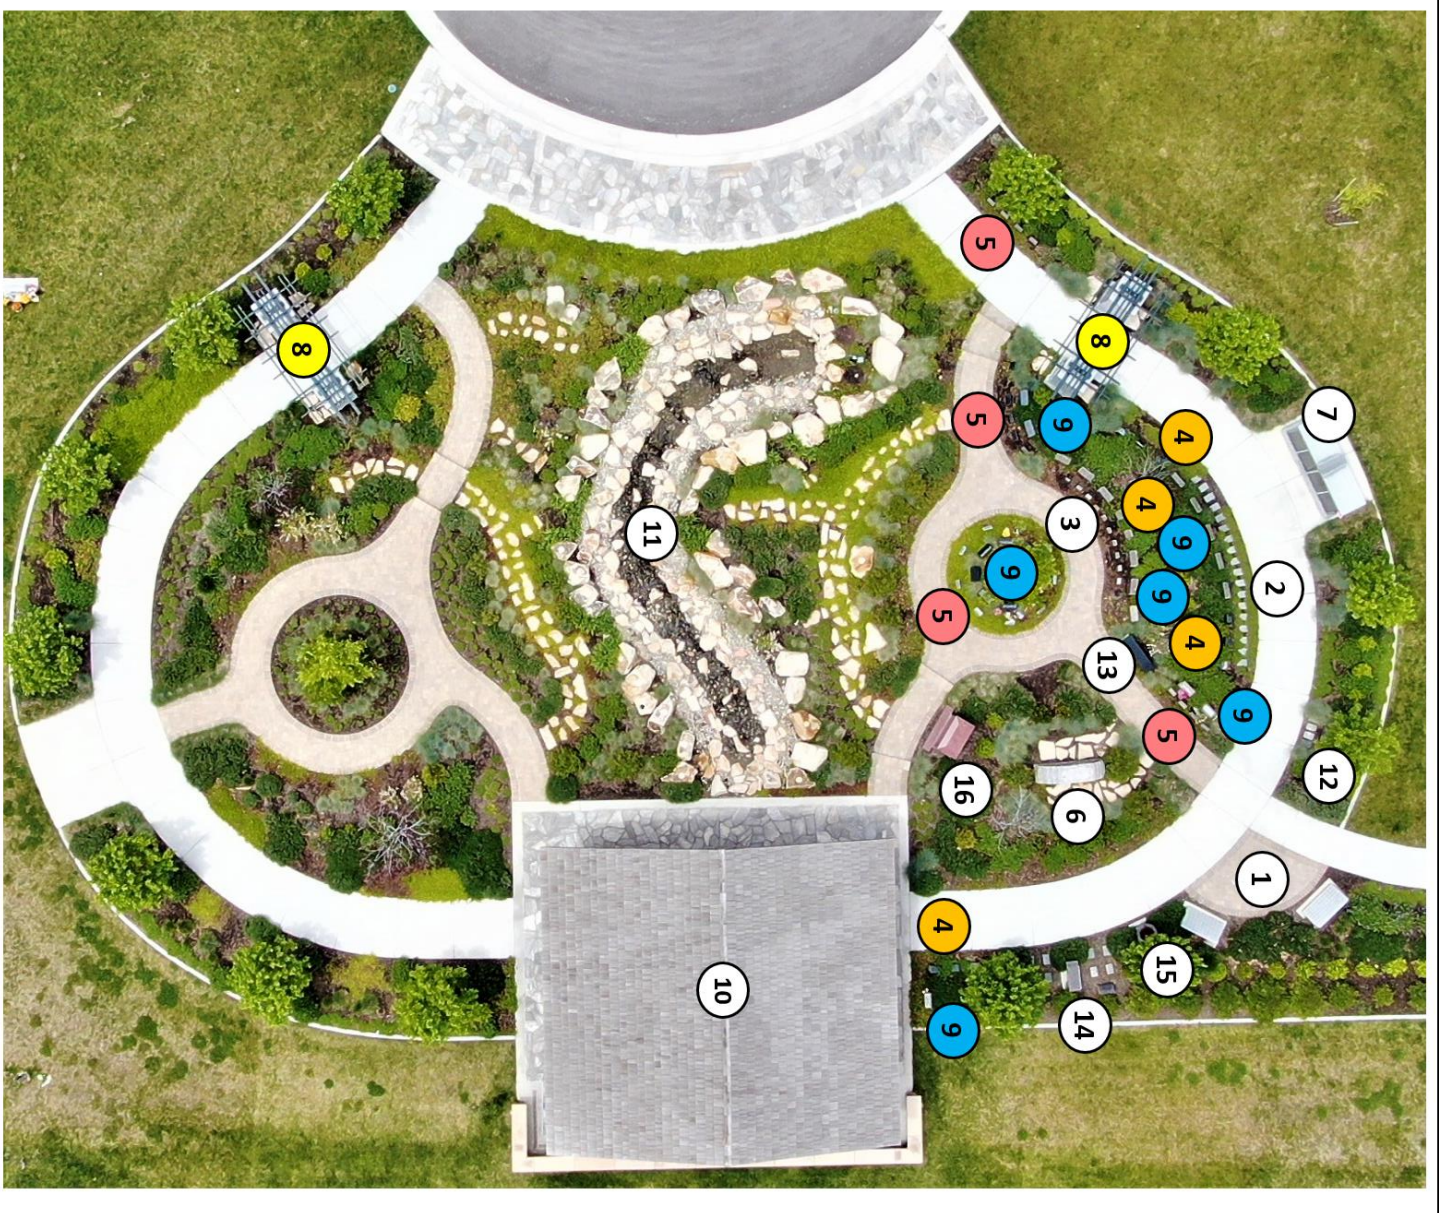

The cremation pedestal bird bath has two cores that are 6 ¼" x 17" each. The pedestal can be engraved on any side. The purchase does not include engraving or interment fees.

# ***Family Columbarium***

The family columbarium has two shelves that are 19" deep x 38" wide x 15" tall. The red granite stone has a front slab which can be removed and engraved. The engraving and interment fees are not included with purchase.
