

# AUTOMOTIVE

- Use a funnel when pouring liquids such as motor oil or brake fluid.
- Clean up spills immediately using shop rags or dry absorbent materials.
- Recycle oil at your local auto parts store. Antifreeze can be recycled at SUVSWD Transfer Station located at 2450 W 400 S in Springville.
- Do not throw hazardous materials into the trash or down storm drains.
- Use a commercial car wash facility. Many commercial facilities recycle the water that is used or treat it before discharging it to the sanitary sewer system.
- If using a commercial facility is not possible, wash the car on gravel, grass, or other areas able to absorb the wash water.
- Conserve water by using a bucket instead of runny a hose to wash and rinse cars.

## Contact Information:

To report a spill during regular business hours Monday - Thursday 7AM - 6PM contact: Provo City Storm Water at 801-852-6700.

To report a spill after business hours contact Provo City Customer Service by dialing 311.

For general storm water program information contact the Storm Water Quality Program Manager at 801-852-6733, or check out our [website](#). Our offices are located at 1377 S 350 E, Provo.

For waste disposal questions contact: South Utah Valley Solid Waste District at 801-489-3027 or visit the following website: [suvswd.org/what-to-do-with](http://suvswd.org/what-to-do-with).

Anyone caught discharging anything but rain into the storm drain is subject to penalties and/or fines, plus the cost of clean up. Please help stop storm water pollution at the source.
