

FOOD INDUSTRY

- Pour mop and wash water into the janitorial mop sink, or down floor drains. Do not pour waste water into gutters, alleys, parking lots, sidewalks, or storm drains.
- Avoid washing kitchen mats, garbage containers, and other items in areas where wash/rinse water is likely to flow into a storm drain.
- Use dry methods such as kitty litter to clean up after a spill. Do not hose down outside spills.
- Keep dumpsters and loading dock areas clean. Control litter by sweeping, do not hose down the area. Replace leaking dumpsters and keep lids closed.
- Sweep up food particles, cigarette butts, and trash from outdoor dining areas before rinsing or steam cleaning. Do not use bleaches when you pressure wash outdoor dining areas or sidewalks.
- Handle and dispose of grease properly. Never pour used grease into a sink, floor drain, dumpster, or storm drain.

Contact Information:

To report a spill during regular business hours Monday - Thursday 7AM - 6PM contact: Provo City Storm Water at 801-852-6700.

To report a spill after business hours contact Provo City Customer Service by dialing 311.

For general storm water program information contact the Storm Water Quality Program Manager at 801-852-6733, or check out our [website](#). Our offices are located at 1377 S 350 E, Provo.

For waste disposal questions contact: South Utah Valley Solid Waste District at 801-489-3027 or visit the following website: suvswd.org/what-to-do-with.

Anyone caught discharging anything but rain into the storm drain is subject to penalties and/or fines, plus the cost of clean up. Please help stop storm water pollution at the source.
