

Neighborhood District Meeting Report

Neighborhood District 4 _____

Meeting Date May 4, 2023 _____

File # _____

Meeting conducted by (name and title): Beth Hedengren, chair

Number in attendance: 21 residents of the neighborhoods (at least 15 in-person with 6 joining via Zoom)

Public Comment: I think the only public comment was mention of the trees that will need to be trimmed back this summer along the Carterville Road

Applicant name or project description: None heard

Was applicant or their designee in attendance at this meeting? Yes/No

Was a city representative in attendance at this meeting? Yes/No

Have other neighborhood meetings been held on this project?

Relevant history of property/area:

Overall responses

Positive/in favor:

In favor if some changes were made:

Negative/against:

How many of each type of response came from those who live closest to the project:

Favorable feedback (be specific):

Concerns raised (be specific):

Has the applicant worked with the neighbors to address their concerns, if any?

Are there specific parts of the City Code, General Plan, or the neighborhood/area plan that should be considered?

Conclusions/summary from Neighborhood District Chair:

Most of the meeting was spent discussing the matching grant project. Several possible projects were discussed and ultimately those in attendance voted unanimously for the Carterville path improvement project, with the sidewalk improvements in North Park as an option if the path project does not work out.

Below is some of the notes of the meeting from Rachel Breen, which shed light on some of the issues that were discussed. (I accidentally deleted my minutes of the meeting. My apologies. - Aaron Skabelund, secretary)

- Reminder added to “Make sure the dead tree limbs are removed along Carterville Road” to a future meeting agenda (early fall?).
