

## Intersection at 1720 North & Carterville Road

- A “Do Not Block Intersection” sign on southbound Carterville Rd.
- A left turn and a right turn lane have been striped.
- The westbound “Do Not Block Intersection” sign has been relocated: east side of the Old Mill Condos.
- The stop lines, cross walk, and the box for the future “Do Not Block” stencil have been refreshed.
- A “Do Not Block” stencil applied to 1720 N Carterville Rd.
- From Vern Keeslar (Traffic Manager):

“We have completed all that we stated we would do when we met with the neighborhood folks. The plan is to see how this works over the next year. If it is successful, then we should be good to go as is. However, if we still get complaints and accidents, then we will have to take a more drastic action at the intersection.”
