

Please be respectful:

- Developers are not required to attend Neighborhood District meetings.
- This is your time to ask questions.
- This is the developer's time to listen.

Questions to consider:

- What are the benefits to the neighborhood and city?
- What are potential downsides and impacts?
- Why is this Zone change or General Plan change better than what exists?

Can neighborhoods ask for a development agreement?

- No – Provo City staff also cannot ask for a development agreement.
- You can ask how the developer will address concerns or make guarantees.

What if I still have questions?

- The project slides are available online.
- Please contact the city planner (planner's name, phone number, and email address are on the agenda, website, and calendar).
