**CONCERNS RAISED BY PUBLIC**

Any comments received prior to completion of the Staff Report are addressed in the Staff Report to the Planning Commission. Key issues raised in written comments received subsequent to the Staff Report or public comment during the public hearing included the following:

- A neighbor stated that it will be nice to have this property developed and a good addition to the area.

**APPLICANT RESPONSE**

Key points addressed in the applicant's presentation to the Planning Commission included the following:

- The applicant was not present to speak about the item.

**PLANNING COMMISSION DISCUSSION**

Key points discussed by the Planning Commission included the following:

- Parking access looks like it will be tight. Maybe if the property was not smaller than the minimum requirement of the zone then this would be less of an issue. The spacing is typical of that seen in a parking lot.
- Snow removal will be handled by the applicant. There is some space available at the end of the drive aisle where snow could be pushed.
- Garbage collection will be handled by each tenant using city cans that are taken to the curb and stored in the individual garages.
